## TRAINING

### OBJECTIVES

Acquire the qualification and skills for the reception, care and maintenance of the living environment of children under 6 years of age, in nursery schools/collective care centres for minors, at the parents' home or at their own home, in collective care establishments/services:

- conduct activities to animate and awaken young children with the aim of learning the rules of collective life, helping them to acquire autonomy, and aiding their emotional, intellectual and sensory development.
- carry out daily care activities (care, bodily hygiene, help with meals) in line with the child's physiological, emotional and physical safety needs.
- carry out sanitary maintenance activities.

- establish a relationship of trust with children and parents.

This diploma enables you to sit the eligibility tests for the auxiliary nursery nurse training course as well as the ATSEM competition organised by local authorities.

## PROGRAMME

The training is structured around Competency Blocks (CB):

### BC01 - Accompanying the development of the young child

- Gathering information, and the professional situation to be taken into account
- Adopt an appropriate professional stance
